

The list of projects and accomplishments that have been delivered over the past 35+ years for White Rock is massive and will continue for a very long time. A few examples include:

- ♦ New Type B Portal sign at the entry to Winfrey Point
- ♦ Completion of Phase I of the Winfrey Point renovation (in partnership with the Dallas Park and Recreation Department)
- ♦ Six shade structures at the Winfrey Point Ball Fields (with the Dallas Little League)
- ♦ Directional Signage throughout the Lake (with the Dallas Running Club)
- ♦ Numerous stone signs throughout the Park
- ♦ Obtained Dallas City Council support to place an \$18 million dredging project for White Rock Lake on the 1995 bond election
- ♦ Designed and saw to completion new drive lanes, parking, hike and bike trails, and landscape improvements on East Lawther Drive from the main Garland Road entrance to Winfrey Point
- ♦ Developed the total Master Plan rendering for White Rock Lake Park
- ♦ Funded and designed new architectural stone abutments to the pedestrian bridge at the main park entrance
- ♦ Refurbished and renovated the White Rock Lake monument sign and bridge at the main entrance
- ♦ Obtained an Urban Wildlife Sanctuary designation for White Rock Lake
- ♦ Funded signs for the “Lock, Take and Hide” program
- ♦ Founding sponsor for White Rock Lake Volunteers In Patrol
- ♦ Gold Sponsor for the White Rock Lake Museum
- ♦ Contributing partner for the crime watch hotline at the lake

As we move towards the 4th decade of our involvement at White Rock Lake, we have identified a few projects that will be a priority for the Foundation:

- ♦ Complete restoration and beautification of entrances to the lake
- ♦ Promote the lake and lake events through numerous publications and communications
- ♦ Raising funds for shoreline enhancements
- ♦ New hike and bike trails
- ♦ Improved playgrounds and parks
- ♦ Forests, wildflowers, and wildlife protection
- ♦ An interpretive center for wildlife
- ♦ Update the comprehensive landscape architectural concept plan for White Rock Lake
- ♦ Campaigning for bond issues to restore and beautify the lake
- ♦ Working on other funding projects identified and targeted by the Dallas Park and Recreation Department

Phase I of the renovation for Winfrey Point was a huge project with a price tag of over \$500,000, and included new roof, new floors inside and outside, painting inside and outside, new lighting inside and outside, new restrooms which had several additional features and additions, and remodeling of the kitchen/catering area. The Foundation will continue to raise funds for this fabulous facility and is looking forward starting the next scope of work at Winfrey Point. Phases II and III will include new location and improvements for ADA accessibility, landscaping, and parking improvements. The landscaping will be primarily natural landscaping with minimal maintenance to preserve the natural area and surroundings. Plans for landscaping will be presented to the White Rock Lake Task Force in the near future for their approval.

NINETEENTH ANNUAL

THE
WHITE
ROCK **LAKE**
FOUNDATION

GOLF TOURNAMENT

STEVENS PARK GOLF COURSE
Thursday, June 11, 2026
